

# FACTSHEET WERKMAN HERO

EN

The Werkman Hero, developed to give you maximum freedom at the anvil and a precise, balanced fit on the hoof. The Werkman Hero combines the strengths of symmetrical and asymmetrical horse-shoes. Its design follows the natural asymmetry of most hooves while retaining the flexibility of a symmetrical base.

This results in optimal load distribution, excellent fit, and full freedom for individual adjustments. Available in 20, 22, and 25 × 8 mm, the Werkman Hero is a versatile allrounder for sport and leisure horses alike. Now the Werkman Hero is in your hands. Try it, shape it and enjoy it.

## KEYPOINTS

- Perfect synthesis of having a symmetrical base and still considering the difference between lateral and medial hoof half.
- Fits so well out of the box and is still so easy to adapt in shape.
- Overlapping sizes: Small sizes in 20x8 and 22x8. Larger sizes in 22x8 and 25x8. This allows you to pick perfect dimension and coverage for every individual horse.
