CHARACTERISTICS

Warrior SPECIAL

- 8 mm: 2x0 – 4

- The Warrior Special is a front shoe with a side clip. The clip is positioned between the 2nd and 3rd nail hole.
- The shape of the shoe is based on the Warrior side clip.
- The outside branch of the shoe is marked with a bead.
- The straighter toe combined with a rolled toe provide for the natural and easy rolling of the foot.
- The widened heels provide optimal support for the frog band.
- All Warrior models are outfitted with sole relief.
- The width of 21 to 24 mm expands in function of the size.
